

Socket Lock™ 4-Pin DT-Style Sealing Plug, Red

FormRep item 3440 · One-piece, patent-pending weather-sealing plug for unused 4-pin DT-style ports.

FORMREP PART NUMBER

3440-FR06-4S-0-1-1-R · 10-pack adds -10PK

FORMREP ITEM

3440

CROSS-REFERENCE

Murrelektronik / Data Panel DP-34042-401 · IFM E12636

MATES WITH

4-pin DT-style receptacle (DT04-4P compatible)

DIMENSIONS

32.1 × 19.5 × 19.1 mm (L × W × H)

MATERIAL

PA6 + 30% glass fiber, UV-stabilized · silicone seal

CONSTRUCTION

Type	One-piece plug, installed seal
Mates with	DT04-4P-style receptacle
Body	PA6 + 30% GF, UV-stabilized
Color	Red body · orange seal
Seal	Silicone, multi-ridge
Dimensions	32.1 × 19.5 × 19.1 mm
Latch	Integrated DT-style latch
Patent	Patent pending

USE & INSTALLATION

Function	Keeps water and dust out of open ports
Applications	I/O modules, cable-assembly sockets
Install	Push in until the latch clicks; no tools
Remove	Press latch and pull straight out

ORDERING

Single	3440-FR06-4S-0-1-1-R
10-pack bag	3440-FR06-4S-0-1-1-R-10PK
Replaces	Murrelektronik / Data Panel DP-34042-401
Replaces	IFM E12636

ONE PART, NOT A KIT

Seals an unused DT-style port with a single part: no plug housing, wedge, or cavity plugs to assemble.

MORE CONFIGURATIONS COMING

Versions with integrated terminating resistors and other pin counts are in development. Contact FormRep for made-to-fit sealing solutions.

Dimensions are nominal. Full drawing available on request.
