ORDERING

Single	3454-FR06-6S-N-Y-RED
10-pack bag	3454-FR06-6S-N-Y-RED-10PK

ONE PART, NOT A KIT

Patent-pending one-piece design seals an unused DT-style port with a single part: no plug housing, wedge, or cavity plugs to assemble.

THE SOCKET LOCK FAMILY

Also available: 4-pin sealing plug (3440) and 4-pin plug with 120 Ω terminating resistor (3447). Contact FormRep for made-to-fit sealing solutions.

Dimensions are nominal. Drawing available on the product page.
